# HILTON HAWAIIAN VILLAGE STRIKE

## DAY 7 - SEPTEMBER 30

### SPREADING OUR MESSAGE!

Mahalo to our ILWU Local 142 brothers and sisters at Servco for NOT CROSSING our picket line Friday at the Hilton Hawaiian Village for their annual company banquet!

Today, bright and early at the opening of the Hawaii Tourism Conference, our striking workers leafleted attendees outside of the convention center. We educated them about how the increase in workloads at our hotel jobs reflects a decrease in services, and the Aloha Spirit.

## MEMBERS STEPPING UP

### DESIREE MELENDEZ, HOUSEKEEPING

Every day since the beginning of the strike, Desiree joins her fellow committee members for the Union's committee meeting at 7am then meets with her group at 8:30am to give them the latest info. She keeps a schedule of her groups' shift times to make sure everyone is participating in the strike, and our lines continue to stay strong. Desiree has also called different community groups and organizations to see what kind of assistance is available for workers on strike. Keep it up Desiree!

### ERIC ALLAGONEZ & SONNY CRISOSTOMO, STOREROOM

Eric and Sonny have been running the AM crew of van drivers dropping off fresh coffee, food, batteries, and whatever other supplies are needed at the picket lines to set us up for another successful day on strike. Both of them are always happy to help with whatever strikers need. Mahalo!

### MEI CHEN, HOUSEKEEPING

Mei has been keeping the energy up on the picket line by leading chants, playing the drums, and finding more ways to have fun on the picket line.
