HILTON HAWAIIAN VILLAGE STRIKE

DAY #2 - SEPTEMBER 25, 2024

DAY 2 RECAP

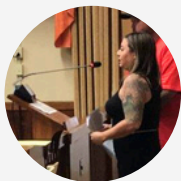

Day 2 kicked off with hundreds of striking members from all of the picket lines meeting up to march around the Hilton Hawaiian Village's 22-acre property. Together, they chanted and made it clear: **No contract, No peace!** Later in the afternoon, nine striking workers attended a City Council hearing to testify in support of a bill that would help make more housing affordable for locals.

MEMBERS STEPPING UP

Mariano Bagolor, Housekeeping

Mariano went above and beyond to make sure the public bathrooms near the strike sign-in were clean for workers on strike and members of the community on the beach.

Crystal Dias, Food & Beverage

At the City Council hearing, Crystal submitted testimony for the first time. She shared what it's like to struggle to keep up with the cost of living and being able to afford housing as a worker in Hawaii.
